Entry Instructions
PLEASE READ BEFORE ENTRY:

Eligibility

The Bob Rauschenberg Gallery is pleased to announce that for the very first time the *Annual Student Art Show* is open to all Edison State College students.

All ESC Students are welcome to enter original artwork but it must have been completed within the last year (May 2011 – April 2012). No entries will be accepted over four feet wide. Each student may submit two pieces. It is the student's responsibility to ensure that their entry forms (two per item) are printed legibly and filled out completely. Students must also make sure that their artwork is ready for installation.

Preparation and Presentation

This is an opportunity to show your work in a professional setting. It is important that each artist thinks about the presentation of his or her finished art work. Galleries, curators and judges have standards they follow and presentation is an important consideration. To help present your work here are some guidelines to follow: Paintings on canvas do not require framing but MUST have hanging wire or bracket/hooks for installation. Other two-dimensional work must be framed, have hangers or wires suitable for installation (NO FISHING LINE), and should be under Plexiglas (NO GLASS). For large-scale or oversized pieces (not to exceed four feet wide) that may require special presentation or installation, please see Gallery staff well in advance of entry. **We encourage anyone with any questions to contact the gallery (489-9313). We will be happy to help you figure out the best possible presentation for your work.**

Judge

The gallery is pleased to have Kevin Dean, Director of the Selby Gallery, Ringling College of Art and Design, serve as judge this year.
